The Woman's club will inaugurate its season Tuesday afternoon when the members will gather at the club house after a long vacation and discuss the work for the coming year. While the policy of the club has not changed in any particular, it is always well for the full membership to be present at the initial meeting that they might be advised fully as to the season's plans. It is the object of each department to keep abreast with progressive thought and in so doing new features are constantly being added to the work of the various sections. Many new phases in the study of music, art and literature, home economics, civics education will be suggested by the department chairmen at the Tuesday session. Mrs. John Dennett, Jr., will contribute the president's address which will be along the same line of thought as the talks by the department heads, "The Coming Year." She will also speak of the value of cooperation. Mrs. Francis H.

Redwell will furnish the musical program, her numbers being "Prelude" by Rachmaninoff, and "Barcarole" by Tschalkowsky. There will be a report by the finance committee. The program will begin promptly at 2:15 o'clock and the fifteen minutes preceding will be given over to receiving dues. The treasurer and her assistant will also be at the club house at 3:30 o'clock Monday afternoon for this purpose.

Maricopa chapter, D. A. R., held its initial meeting of the club year Monday at the Woman's club. This marks the passing of the first mile stone, some believe, in the life of the oldest organization of its kind in Arizona, for it has passed out of that period when the purpose could best be served by meeting in the homes, much as the members will regret the loss of intimacy. Another departure is the very attractive twelve-page year book, containing the first purely local constitution the chapter has written, under the direction of Mrs. Estelle Armstrong, author of a very clever book on the Indian service.

The program, as outlined, provides among other things, for the usual patriotic work, the donations to the infants' chest for the Associated Charities, as inaugurated by Mrs. Ed Shaw, during her first year of the regency, besides two additional features of philanthropy, namely the Red Cross assistance, Mrs. L. E. Hewins, chairman, and a pledge for the annual scholarship in the McRae Institute, a school for the mountain white children of the south situated at Banner Elk, North Carolina. This is under the direction of Mrs. Harry B. Fryor, a cultured southern woman, who will be able, shortly, to announce a very attractive plan for the raising of this \$50 scholarship.

The patriotic education, as of interest locally, is under the direction of Mrs. Emory Oldaker, who hopes to announce prizes for essays and stories on patriotic subjects and a lecture early in November by C. Louise Boehringer of Yuma, a woman noted for her broad culture and ability as a public speaker in the east previous to her residence in Arizona.

Applicants for membership in the College club are requested to communicate with Miss Helen Armstrong, chairman of the membership committee. A college or university degree is one of the requirements.

The Glendale Woman's club inaugurated the club season of 1916-1917 with an open meeting Thursday afternoon to all the women of Glendale whether affiliated with the club or not. A program preceded a linen exhibit at which prizes were awarded. The program was under the direction of Mrs. C. H. Tinker, and among the clever numbers was a dramatic reading by Kate Wisner McCluskey. Mrs. Ray MacAbee was the soloist and a violin duet by Mrs. Clyde Ketchum and Raymond Alken contributed to the enjoyment. Mrs. R. A. Logue, the president, gave an informal talk on "Cooperation." The linen display was most complete.

this feature being under the auspices of the domestic science department, Mrs. J. M. Pearson, chairman. The embroideries and laces in form of tea cloths, luncheon sets, towels, crochet yokes and many other articles of interest to women were exhibited and the prize winners were Mrs. C. A. Robinson, Mrs. George Trotzman, Mrs. Hilding and Mrs. Wesley. Mrs. J. G. Hammels and Mrs. George White were hostesses at the social hour that followed. The club will hold its next meeting Friday afternoon when delegates to the district federation will be appointed.

The fish and game laws will be discussed at the Civic league on Wednesday afternoon. At last week's meeting the municipal bond election was the topic of interest. A representative of the Pacific Cable and Electric company was the principal speaker while other speakers favoring municipal ownership also claimed attention. No action was taken by the league.

"Arizona Women's Note" will be discussed at this week's meeting of Chapter A of P. E. O. which will be held at the home of C. A. Whitfield, 1424 North Second street Tuesday evening. Miss Sara Whitfield will be the topic of the meeting and will occupy the attention of the members will be handled by Mrs. Thompson Briggs.

McKinley Parent Teacher Association held its annual election of officers Thursday. Mrs. Frank Struckmeyer being chosen president, Mrs. A. D. Crabb vice president, and Mrs. Claud Decatur Jones, secretary. The general work for the year will be announced at the November meeting.

The Harmony club opened its season Wednesday afternoon. Mrs. Thomas A. Barker, the vice president, presiding in the absence of Mrs. T. M. Elder, the president, who is out of town. Mrs. Barker in her opening address was optimistic in outlining the plans for the year. The policy will be practically that of last year but carried out on a broader basis. Mrs. Barker donated a handsome hand made quilt which will be disposed of at the annual club bazaar to be held early in the winter. A committee of four read from Mrs. Dixon Fagerberg, chairman of the state scholarship fund, thanking the club for its contribution. It was decided to hold an open card party once a month, to be used for the benefit of the piano fund. On Wednesday a social meeting will be held, the hostesses being Mrs. Harry Bennett, Mrs. George Gushing and Mrs. J. P. Goddard.

A joint meeting of the parent teachers associations will be held in the high school auditorium at 3 o'clock Thursday afternoon. John D. Loper, city superintendent of schools, will address the gathering on "The Gary Way."

The Musicians' club will present a students' miscellaneous program at the Woman's club Monday afternoon. Mrs. Ed Shaw will be chairman and the current events will be handled by Mrs. E. H. Abbott. Following is the well arranged program:

The National Federation of Musical clubs following out a plan that was inaugurated in January, 1915, and carried to a successful conclusion at the ninth biennial convention in June, 1915, announce the second national contest for young professional musicians. The first contest brought to light a remarkable array of American trained young musicians and gave them a public hearing and demonstrated conclusively that we have in our own country teachers and students as good as the best to be found elsewhere.

The national committee in charge of the second contest consists of the president of the National Federation of Musical clubs, Mrs. A. Ochsner, Chicago, the director of department, Mrs. Emerson H. Brush, Chicago, the chairman of committee, Mrs. Louise F. Yager, Oak Park, Ill., and the following committee members: Nellie Strong Stevenson, George W. Grandwick, Franz Kneisel, Mrs. H. H. A. Beach, Giuseppe Ferrata, Louise Homer, Charles W. Clark.

The following condition in the contest are presented by the committee in charge:
Contestants must be entirely American trained.
Contestants must be under thirty years of age.
Contestants must be screened from the judges and be known to the jury by number only.
Contestants must perform entirely without notes before their state jury, and later before the district jury, at least three, or, if desired, more compositions.
Compositions to be performed must be by specified composers. The list from which choice may be made will be furnished by the chairman of the committee.

The contestant, to be eligible, must join the Student and Young Professional department of the National Federation of Musical clubs, by sending name and address and annual dues of one dollar to the chairman of the department, Mrs. Louise F. Yager, 300 Forrest avenue, Oak Park, Illinois.
Contestants must arrange for their own expenses in the contest. To the winners in the final contest will be given a public appearance at the tenth biennial festival to be held in Birmingham, Alabama, April, 1917.

Should there be in large cities a preliminary contest similar to the state contest will be arranged by a local committee in the city, this contest to precede the one under the direction of the state president.
The committee reserves the right to reject any contestant, even though given the highest marking, if, in the opinion of the judges, the performance is not up to the required standard.
All contests will be open to the public; the small admittance fee charged will be used to defray the expense of the contest.

The contest for Arizona will be held November 25, at Tucson.
Further information may be obtained from president of the Musicians' club, Mrs. W. R. Battin.

Ninety business women and girls were present at the initial banquet of the Business Girls' club held Monday evening in the gardens of the Y. W. C. A. There were many clever and interesting

THE PROVEN RAY-CHRISTMAS COPPER BELT

Is Now Nearing a Great Body of Ore

This Company was incorporated in December, 1915, and since that time has been steadily working two shifts driving a tunnel to the contact that would tap the ore body at a depth of 500 feet from the outcrop. A shaft has been sunk to a depth of 100 feet on this outcrop and intermediate tunnels aggregating 500 feet have proven the ore body at lower elevations. Approximately 200 tons of copper ore averaging 17.9% and carrying \$1.50 to \$3.00 in gold have been taken out from the upper workings and ready for shipment.

J. C. Devine, President of Pinal Development Company, just returning from the property, states that conditions are excellent and the main tunnel now in nearly 1400 feet has reached the stage where **developments may be expected at any time.**

Now is the Opportune Time to Get in on Pinal for Quick and Big Returns

Our policy heretofore has been **not to advertise** but to **mine** and the results are that we can now advise our friends and the public to come in **strong.**

The Company has been very successful in its sale of treasury stock outside the state and has but a few shares left at **one dollar** per share, reserving the right to withdraw this stock without notice.

Application is being made to list stock on New York Curb and also on Pacific Coast Exchanges.

Now is the time to buy shares in this company.
Price will double in a short time.

The property is located in the Walnut Grove Mining District, of Yavapai County, Arizona, about nine miles from the P. & P. R. R., being easily accessible by a good automobile road.

The group consists of eight claims, the formation on and in the vicinity being a metamorphic slate altered schist and lime and porphyry dikes.

The Property Already Well Developed and Shipments of High-Grade Ore Have Been Made

There is over 700 feet of development work done, exposing copper ore from 2 to 12% and carrying gold and silver. This is a property of merit, and we want every investor to visit it before buying. The management believes that a very nominal sum would place the Lucky Strike in a big producing way and are therefore offering 100,000 shares at 25c per share, to be used strictly for development purposes.

This allotment is being distributed throughout the east and will not last but a few days. Make sure of your stock and wire immediately. Write for full information to
